Description of Project / Intended Use of Voice Authentication:

NOTICE:

All trial accounts and software tools provided by Voice Biometrics Group (VBG) remain the sole and exclusive property of VBG. Trial accounts are provided on an “as is” basis and carry no warranty or representations related to fitness for a particular purpose, availability, system resources, technical support, etc. Trial accounts are limited to 60 days from the date of initial activation. We reserve the right to terminate any trial account at any time for any reason. After 60 days, the trial account will automatically be closed unless specific arrangements are made with VBG at least 10 days prior to the account termination date. The use of a trial account is subject to VBG’s Acceptable Use Policy (AUP). By signing below you agree to abide by the terms above, as well as those contained in the AUP.
